

**... A unique dining experience like no other.**

From our beautiful contemporary restaurant set at the foot of the magnificent Cheddar Gorge, we serve mouth-watering authentic Thai dishes, created by our chefs, from recipes that have been handed down over generations.

Our strap line is 'We cook as we eat' meaning simply that we serve Thai cuisine the way we love to cook and eat in Thailand.

**We use only the finest fresh ingredients, many of which are locally sourced; others are imported directly from Thailand to ensure that we maintain the quality and authenticity of our food.**

The **spiciness** of our dishes can be adjusted to suit your personal palate, and we will adapt our recipes, where possible, to accommodate any particular dietary requirements that you may have.

So sit back, relax and let us take you on an unforgettable exotic culinary adventure.
